Sandvine shall use best endeavors to meet the following response, restoration and resolution time objectives for Supported Releases. If these time scales cannot be met, Sandvine will notify Distributor and Sandvine and Distributor primary technical contacts will undertake to discuss the problem with a view to reaching a mutually acceptable solution. Measurement of time is halted while Sandvine is waiting for the Distributor or End User to perform tasks or supply necessary material information. Sandvine recommends that Distributor has longer response, restoration and resolution time objectives than those set out below with End Users.

- (a) **Response Time.** Response time shall be measured as the elapsed time between the time Distributor reports a problem to Sandvine and the time it takes for Sandvine to respond:

Severity	Response Time

Severity 2 - Major	12 hours, within normal business hours (local time)
Severity 3 - Minor	5 days, within normal business hours (local time)

There is also a repair diagnostic fee to determine what the repair fee would be, prior to repair.

Advance Shipping Cut-Off Time. If RMA requests are received and Hardware diagnosis has been determined by 12 noon PST or EST, for Hardware covered by Support and Maintenance Services, the Hardware will ship within 10 Business Days.

- 6.2 RMA Procedures. Upon receipt of a material return request for defective or damaged Hardware in compliance with the Support Plan, Sandvine will ship the replacement Hardware or part(s) from the United States of America or Waterloo, Ontario Canada on an exchange basis within one (1) Business Day. For clarification, RMA service is subject to a determination by Sandvine that the alleged malfunction is caused by a Hardware failure. Sandvine reserves the right to invoice the Distributor for repair services under the Support Plan if no problem is found or the defect was not caused by Sandvine. Sandvine will invoice Distributor an amount equal to the applicable list price for the replacement Hardware or part(s) if Sandvine does not receive the defective Hardware or part(s) from Distributor within one (1) Business Day after Sandvine ships the replacement Hardware or part(s). The charge for repair or replacement of Hardware not under warranty shall be at Sandvine's then-standard rates and may include transportation related charges and import duty or similar importation tax, if applicable.

7.3 Supported Releases. Distributor recognizes that new Software Releases may provide additional functionality or improve performance of previous releases and Distributor agrees to use reasonable commercial efforts to persuade End Users to keep their installation of Software reasonably current to the latest Supported Release. Sandvine may, at its sole option, continue to provide support for older releases of Software.

8. END OF LIFE

Sandvine reserves the right to discontinue the manufacture or sale of, or otherwise render or treat as obsolete, any Products.
